Dear Mr./Ms. [Recipient's Last Name],

Subject: Request for Replacement of Defective Office Printer

I am writing to formally request the replacement of the office printer located in the Marketing Department, model HP LaserJet Pro M404n, serial number 123456789, which has recently become non-operational.

Over the past two months, we have experienced frequent paper jams, print quality issues, and error messages that persist despite multiple maintenance attempts. The printer's malfunction has significantly impacted our department's productivity, delaying important marketing material preparations and client deliverables.

Despite troubleshooting efforts, including cleaning the toner cartridges, updating firmware, and consulting the IT support team, the issues remain unresolved. The printer was purchased in March 2022, and based on the manufacturer's warranty terms, it is eligible for repair or replacement.

Given the ongoing problems and the critical need for reliable printing capabilities, we believe that a replacement is the most practical solution. We kindly request your approval to replace the current unit with a new printer of the same model or a comparable upgraded version that can better meet our department's needs.

Enclosed with this letter are copies of the purchase receipt, service reports, and photographs illustrating the issues encountered.

We appreciate your prompt attention to this matter and look forward to your positive response. Please let us know if additional information or documentation is required to process this request.

Dear [Recipient Name],

Subject: Request for Upgrade of Office Equipment

I am writing to formally request an upgrade of our department's current office equipment to better support our operational needs. Over the past few months, we have observed significant challenges stemming from outdated hardware, which has impacted our efficiency and workflow.

The primary issues include slow computer processing speeds, frequent printer jams, and ergonomic discomfort caused by aging chairs. These issues have led to delays in project completion and increased maintenance costs. To address these concerns and improve our department's productivity, I propose the following upgrades:

- Two desktop computers with at least 16GB RAM, SSD drives, and updated processors
- One multifunction printer capable of high-volume printing, scanning, and faxing
- Ergonomic office chairs for team members to enhance comfort and reduce fatigue

Preliminary cost estimates for these upgrades amount to approximately \$5,000. Investing in modern equipment will result in reduced downtime, higher output quality, and improved employee morale. Additionally, energy-efficient models could contribute to long-term cost savings.

I believe that upgrading our equipment aligns with the organization's goals of maintaining a competitive and efficient workforce. I kindly request your approval to proceed with procurement. I am happy to provide further details or assist with the selection process.

Thank you for considering this request. I look forward to your positive response.

Sincerely,
